Product description

This original 18-inch Carrera RS wheel rim from Porsche, specially designed for the 911 (993) model, is an authentic replacement part for enthusiasts and collectors. With the part number 99336213681, this rim is a genuine Porsche original part. It has a size of 8J x 18 with an offset value (ET) of 52, which ensures an optimal fit and performance.

The rim is finished in silver and has the feature code 9A1. It is suitable for both the left and right sides of the vehicle and is intended for mounting on the front axle. Despite visible signs of wear, which can be seen in the pictures, the rim is round and has been tested, confirming its functionality. However, it is in need of restoration, making it an ideal choice for restoration projects or as a basis for customisation. This rim embodies the quality and elegance of Porsche and is an excellent choice for restoring the original appearance of your Porsche 911 model 993. Ideal for enthusiasts who value authenticity and original parts.
