## Product description

This original Porsche 911 991.2 Carrera VI wheel in size 11J x 19 ET56 is a high-quality replacement part for your Porsche 911 from the 991 model series. The wheel impresses with its high-gloss black finish, which gives your vehicle an elegant and sporty look. With a width of 11J and an offset (ET) of 56, this rim ensures an optimal fit and excellent driving characteristics.

The rim has the OEM number 99136256003041 and is certified as an original part directly from Porsche, which guarantees high quality and durability. The condition of the item is described as used, but very good and undamaged. This means that the rim has no visible damage and is technically flawless.

The Carrera VI rim is suitable for both the left and right sides of the vehicle and is mounted at the rear of the vehicle. This part is ideal for drivers who value original parts and preserving the authenticity of their Porsche. The high-gloss black finish also provides an attractive contrast to many vehicle colours and emphasises the sporty lines of the Porsche 911.

Overall, this wheel is an excellent choice for Porsche owners looking for a combination of style, performance and originality.
