### Product description

This high-gloss black 19-inch Carrera S II wheel for the Porsche 911 model 997 is a real highlight for all Porsche lovers and tuning enthusiasts. With a width of 8J and an offset (ET) of 57, this wheel not only offers an impressive look, but also excellent driving characteristics.

The rim is specially designed for the Porsche 911 997 model and bears the OEM number 99736215700041, which confirms its authenticity and quality as an original Porsche part. The technical designation "high-gloss black" underlines the luxurious finish that gives your vehicle a striking and stylish look.

This wheel is new, unused and undamaged, making it an ideal choice for vehicle owners who value aesthetics and performance. It is suitable for both the left and right sides of the vehicle and is intended for mounting on the front axle.

The combination of exclusive design and first-class quality makes this wheel an excellent investment for your vehicle, not only improving its appearance but also optimising its handling.
