## Product description

This original Porsche 997.2 GT3 19-inch wheel with central locking is specially designed for the Porsche 911 model 997 and offers excellent fit and performance. The rim measures 8.5J x 19 ET53 and is finished in a deep black (high gloss, colour code 041), giving it an extremely attractive appearance.

The rim is used but in very good condition and undamaged, making it an excellent choice for vehicle owners looking for original parts at a lower price. The central locking mechanism ensures quick and secure wheel mounting, which is particularly advantageous for racing cars or vehicles that require frequent wheel changes.

The OEM number for this specific rim is 99736215795041, which confirms its authenticity and quality as an original Porsche part. It is suitable for both the left and right sides of the vehicle and is intended for mounting on the front axle.

This wheel is ideal for enthusiasts who want to enhance the aesthetics and performance of their vehicle with genuine Porsche components without compromising on quality and fit.
