Product description

Enhance the performance and aesthetics of your Porsche Panamera with this set of 19" Panamera Design Summer Wheels. This set, specifically designed for the Porsche Panamera G1/970 model, includes both front and rear alloy wheels along with high-quality Michelin summer tires. The front wheels are sized at 9J x 19 with an offset of ET60, while the rear wheels are 10J x 19 with an offset of ET61, ensuring a perfect fit and balanced handling.

The included Michelin summer tires, sized 255/45 R19 for the front and 285/40 R19 for the rear, offer excellent road grip and a smooth ride during warmer conditions. These tires are designed to optimize fuel efficiency, reduce road noise, and provide a superior driving experience with enhanced safety and durability.

This set comes with the OEM numbers 97004460283, 97004460223, and 97004460203, guaranteeing authenticity and compatibility with your Porsche Panamera. As a brand new, unused, and undamaged product, it adheres to Porsche's high standards, ensuring that you receive a genuine, top-quality component.

Perfect for replacing old or worn wheels and tires, or simply upgrading your vehicle's appearance, this set not only enhances the look of your Porsche but also improves its handling and performance on the road. Whether navigating tight corners or cruising on the highway, these wheels and tires are designed to make your driving experience more enjoyable and stylish.
