The high-gloss black rims give your vehicle an aesthetically pleasing and sporty look. This wheel set is completed by brand new Pirelli P Zero summer tyres in sizes 245/35 ZR20 for the front axle and 295/30 ZR20 for the rear axle, which are known for their outstanding performance and road grip. These tyres offer a perfect balance between wet and dry grip and are ideal for high speeds and sporty driving.

Please note that this wheel set is suitable for vehicles without a tyre pressure monitoring system (TPMS sensors). The rims and tyres are new or as good as new, with the rims having low mileage and possibly showing minimal signs of use or storage. The tyres are factory new (0 km).
