Available:	availability on request
Price:	3.873,45 € (nett:3.255,00 €)

Product description

This set of 20-inch sport winter wheels is specially designed for the Porsche Cayenne Coupé E3/9Y0 (pre-facelift, 2019-2023) and offers outstanding performance and reliability in the winter months. The wheels consist of two different rim sizes: 9J x 20 ET50 at the front and 10.5J x 20 ET55 at the rear, which are perfectly matched to the specific requirements of the Cayenne Coupé.

The wheels are fitted with high-quality Michelin winter tyres, which ensure optimum traction and safety in cold and slippery conditions. The tyre sizes are 275/45 R20 at the front and 305/40 R20 at the rear, which enables excellent road holding and stability even at higher speeds.

Another feature of this wheel set is the integrated TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in each tyre, providing an additional level of safety. The OEM number for this specific set is 9Y0044630C, which confirms its authenticity and quality as a Porsche genuine part. This product is new, unused and undamaged, ensuring its longevity and reliability. This winter wheel set is exclusively suitable for the Porsche Cayenne Coupé and is not compatible with other models or variants of the Cayenne. It is the ideal choice for drivers who do not want to compromise on performance and aesthetics, even in the coldest months of the year.

Technical specifications

Front rims:	Article number: 9Y0601025DH88Z	
	Quantity: 2	
	Rim width: 9J	
	Rim diameter (inch): 20"	
	Offset (ET): 50	
Rear rims:	Article number: 9Y3601025BQ88Z
