### Product description

This high-gloss black 20-inch SPYDER wheel for the Porsche 718 Boxster Spyder model 982 combines stylish design with outstanding performance. The wheel, with dimensions of 8.5J x 20 ET57, is specially manufactured to meet the requirements and specifications of the Porsche 718 Boxster to ensure optimum fit and performance. The rim has the OEM number 982601025AN041 and is marked as an original Porsche part, which underlines its authenticity and quality. The rim is new, unused and undamaged, ensuring a long service life and excellent performance. The technical designation "high-gloss black" refers to the high-gloss black paint finish, which is not only aesthetically pleasing but also provides an additional protective layer against environmental influences. The offset (ET) of 57 ensures ideal alignment and stability of the wheel.

The SPYDER rim is suitable for both the left and right sides of the vehicle and is intended for mounting on the front axle. With a width of 8.5J, this rim provides excellent support for the tyres and improves both the handling and driving behaviour of the vehicle.

This rim is an excellent choice for vehicle owners who value original parts and a perfect combination of function and elegance.
