### Product description

This set of 20-inch Tequipment Design summer wheels for the Porsche Taycan (model years 2019-2024) combines outstanding aesthetics with high functionality. The rims in sizes 9J x 20 ET54 and 11J x 20 ET60 are finished in an attractive high-gloss black that gives your vehicle an elegant and sporty look. The wheels are fitted with high-quality Michelin summer tyres in sizes 245/45 R20 for the front axle and 285/40 R20 for the rear axle, ensuring optimum performance and safety in warm weather conditions.

In addition, the wheels are equipped with TPMS (tyre pressure monitoring system) sensors, which constantly monitor the pressure in the tyres and thus contribute to driving safety. This set is not only functional, but also enhances the appearance of your vehicle.

The rims bear the OEM number 9J1073650H and are marked as Porsche genuine parts, which guarantees their quality and fit. This product is new and unused, which means that it has no damage or signs of wear.

This wheel set is an excellent choice for Porsche Taycan owners who want to optimally equip their vehicle for the summer months without compromising on style and quality.
