Product description

This set of 21" exclusive design summer wheels for the Porsche Taycan (model years 2019-2024) combines outstanding aesthetics with high functionality. The wheels feature an elegant platinum silk matt finish that gives your vehicle a luxurious and individual look. The set consists of two different rim sizes: 9.5J x 21 ET60 at the front and 11.5J x 21 ET66 at the rear, ensuring an optimal fit and performance. The wheels are fitted with high-quality Goodyear summer tyres, which ensure excellent driving characteristics in warm weather conditions. The tyre sizes are 265/35 R21 at the front and 305/30 R21 at the rear, offering a balanced combination of comfort and grip. The wheels are also equipped with TPMS sensors, which continuously monitor tyre pressure and contribute to vehicle safety.

The rims and tyres are new, unused and undamaged, which guarantees their quality and durability. As Porsche genuine parts, they meet the manufacturer's strict quality standards and have been specially developed for the Porsche Taycan. The OEM number for this wheel set is 9J1073660Q.

This exclusive wheel set is not only a functional enhancement, but also a visual upgrade for your Porsche Taycan, emphasising its sporty elegance. Ideal for drivers who value performance and style.
