Product description

Upgrade your Porsche Macan with the stylish and performance-oriented 21" GT Design Summer Wheel Set, specifically designed for the Porsche Macan Model 95B (2014-2024). This set includes high-gloss black wheels with dimensions of 9.5J x 21 ET27 for the front and 10J x 21 ET19 for the rear, perfectly complementing the dynamic aesthetics of your vehicle.

The wheels are equipped with Michelin summer tires, sizes 265/40 R21 at the front and 295/35 R21 at the rear, offering excellent grip and handling characteristics during warmer weather conditions. These tires are designed to optimize the balance between wet and dry performance, ensuring safety and driving pleasure.

Each wheel is fitted with RDK sensors (Tire Pressure Monitoring System sensors), enhancing your driving safety by providing real-time tire pressure information directly to your vehicle's dashboard. This feature not only helps in maintaining proper tire pressure for optimal performance but also contributes to increased fuel efficiency and tire lifespan.

The OEM part number for this set is 95B044668N, ensuring that these wheels are genuine Porsche parts, designed to meet the exact specifications and quality standards of your Porsche Macan. The condition of these wheels and tires is brand new, meaning they are unused, undamaged, and in pristine condition.

This wheel set not only enhances the visual appeal of your Porsche Macan but also provides a significant upgrade to its performance on the road. Whether you're looking to improve your vehicle's aesthetics or its road-handling capabilities, this 21" GT Design Summer Wheel Set is an excellent choice for any Porsche Macan enthusiast seeking genuine Porsche parts and accessories.
