<b>Price:</b>	<b>9.196,61 €</b> <b>(nett:7.728,24 €)</b>

### Product description

This set of 21" Mission E Design winter wheels is specifically designed for the Porsche Taycan J1 II (Facelift, from 2024 onwards), ensuring a perfect fit and exceptional performance during the colder months. The set includes high-gloss black rims measuring 9.5J x 21 ET60 at the front and 11.5J x 21 ET66 at the rear, paired with Continental Winter Contact TS860 S tires. The tire sizes are 265/35 R21 for the front and 305/30 R21 for the rear, providing excellent traction and stability on snowy or icy roads.

Each wheel is equipped with TPMS (Tire Pressure Monitoring System) sensors, enhancing safety by ensuring that tire pressure is always at the optimal level. The sleek black high-gloss finish not only adds a striking look to your vehicle but also offers durability and resistance to the harsh winter elements.

The OEM number for this set is 9J1073603KB, confirming its authenticity as a genuine Porsche Original part. This new, unused, and undamaged item comes directly from Porsche, ensuring that it meets the highest quality standards and compatibility with the specified models.

Ideal for Porsche Taycan owners looking to enhance their vehicle's winter performance while maintaining a stylish appearance, this set of wheels and tires offers both functionality and luxury in one package.

## Technical specifications
