Product description

The set of 21" RS Spyder design summer wheels for the Porsche Taycan J1 (2019-2024) combines outstanding aesthetics with high functionality and is the perfect addition to your vehicle. This set includes four high-gloss black rims with dimensions 9.5J x 21 ET60 for the front axle and 11.5J x 21 ET66 for the rear axle, which not only look impressive but also guarantee excellent driving characteristics on summer roads.

In addition, the rims are fitted with high-quality Goodyear summer tyres, the front tyres in size 265/35 R21 and the rear tyres in 305/30 R21, which ensure optimum grip and excellent road holding. The tyres are specially designed to fully exploit the potential of your Porsche Taycan and offer a perfect balance between comfort and performance.

Another feature of this wheel set is the integrated TPMS (tyre pressure monitoring system), which constantly monitors the pressure in each tyre, ensuring increased safety and efficiency. This product is new and unused, which means it is in perfect condition and has no damage. As an original Porsche part, it not only guarantees a perfect fit, but also compliance with Porsche's high quality standards. The OEM number for this set is 9J1073660M, which provides an easy reference for checking compatibility with your vehicle. This wheel set is an excellent choice for drivers who value quality, safety and an attractive appearance.
