## Product description

This exclusive Porsche 911 992 Sport Classic "911 Turbo 50 Years" wheel combines elegance and sporty performance in a high-quality product. The wheel is specially designed for the Porsche 911 model from the 992 series and offers a perfect fit and outstanding quality, as you would expect from Porsche original parts.

The wheel has dimensions of 12J x 21 ET70, providing a wide and stable base for high speeds and optimum driving characteristics. The central locking system ensures quick installation and removal as well as additional safety and stability at high speeds.

The high-gloss white paint finish (colour code C9A) gives your vehicle a fresh and eye-catching look that clearly stands out from the crowd. The paint is not only visually appealing, but also resistant to environmental influences such as UV radiation and weather conditions.

The rim is new and unused, which means it has no damage or signs of wear. You are getting a product that meets Porsche's strict quality standards and is designed for a long service life.

The OEM number for this rim is 992601025DQC9A, which confirms the authenticity and originality of the part. This part is suitable for both the left and right sides of your vehicle and is mounted at the rear of the vehicle.

In summary, the Porsche 911 992 Sport Classic "911 Turbo 50 Years" wheel is an excellent choice for vehicle owners who value quality, performance and striking design. It is an investment that not only improves the appearance of your Porsche 911 992, but also its driving characteristics.
