Product description

This original Porsche 21-inch wheel rim for the Cayenne Turbo, specifically for model 9Y0 from 2018 onwards, combines outstanding quality with an attractive design in dark titanium (colour code OC6). The rim measures 11J x 21 with an offset (ET) of 58, ensuring an optimal fit and excellent driving characteristics. The OEM numbers for this rim are 9Y0601025BLOC6 and 9Y0601025AEOC6, confirming its authenticity as an original Porsche part. It is used but in very good condition with no damage, making it an excellent choice for Porsche Cayenne owners who value original parts and aesthetics. The dark titanium colour gives your vehicle a stylish and sporty look, while the robust construction of the rim ensures that it can withstand the demanding conditions on the road. This wheel is suitable for both the left and right sides of the vehicle and is mounted at the rear. In summary, the 21-inch Cayenne Turbo wheel is an excellent choice for vehicle owners looking for a combination of performance, originality and stylish design.
