Price:	7.517,83 € (nett:6.317,50 €)

Product description

This set of 22" summer wheels in 911 Turbo IV design is specially designed for the Porsche Cayenne E3/9Y0 from model year 2018 onwards and offers a perfect combination of style and performance. The rims in the set are sized 10J x 22 ET48 and 11.5J x 22 ET61, which guarantees excellent driving stability and an attractive appearance. The high-quality Pirelli summer tyres in sizes 285/35 ZR22 for the front axle and 315/30 ZR22 for the rear axle offer optimum grip and excellent driving characteristics in warm weather conditions.

The wheels are also equipped with TPMS (tyre pressure monitoring system) sensors, which continuously monitor the pressure in the tyres and contribute to safety. Please note that this wheel set is not suitable for the Porsche Cayenne Coupé.

The OEM numbers for these wheels are 9Y0044661M and 9Y0044660M, which confirms their authenticity and compliance with Porsche's high quality standards. As new, unused and undamaged original Porsche parts, these summer wheels not only guarantee an excellent fit but also unrivalled performance and durability.

Ideal for drivers who value originality and quality and want to equip their Porsche Cayenne optimally for the summer months.

Technical specifications

Front rims:	Article number: 9Y0601025BROC6 Quantity: 2 Rim width: 10J Rim diameter (inch): Offset (ET):
