Product description

This high-quality front bumper from the Sport Design Package is specially designed for the Porsche Cayenne model 9Y0 from 2018 onwards. It is equipped with holes for the ultrasonic parking aid sensors, which makes parking in difficult situations much easier. The bumper is an original Porsche part with the OEM number 9Y0807217M G2X and therefore guarantees a perfect fit and the highest quality. The bumper is new, unused and undamaged, ensuring a long service life and excellent functionality. By using original Porsche parts, you can be sure that the vehicle safety and performance meet the manufacturer's specifications. The Sport Design Package gives your Porsche Cayenne an even more dynamic and sporty look, which not only improves the appearance but can also increase the resale value of the vehicle.

This bumper should be fitted by a qualified technician to ensure correct installation and function of the parking aid sensors. This product offers an excellent opportunity to enhance the appearance of your vehicle while increasing functionality and comfort.
