Product description

This front trunk lid, specifically designed for the Porsche 911 model 992, is a premium carbon fiber component that combines lightweight construction with high durability. Known as the "Sport Classic" front hood or trunk lid, this part is crafted from high-quality carbon fiber, ensuring an excellent strength-to-weight ratio that is crucial for enhancing the performance and efficiency of your vehicle.

The OEM numbers for this trunk lid are 992823033E GRV and 992823033C GRV, confirming its authenticity and compatibility with the Porsche 911 model 992. It is important to note that this part is used and may require painting due to color discrepancies or minor scratches on the surface, as indicated in the condition description. Despite these minor imperfections, the overall condition is reported to be very good, with only slight signs of use or storage. This carbon trunk lid not only enhances the aesthetic appeal of your Porsche with its sleek, modern look but also contributes to improved vehicle dynamics by reducing overall weight. As an original Porsche part, it ensures a perfect fit and maintains the high standards of quality and performance expected from Porsche components.

Please be aware that installation might require professional adjustment to achieve the best fit and performance. This front trunk lid is an excellent choice for Porsche enthusiasts looking to maintain or enhance their vehicle with genuine, high-performance parts.
