Product description

This front trunk lid, also known as the front hood, is specifically designed for the Porsche 911 model 991, particularly the Turbo S Exclusive Series. It is crafted from high-quality carbon fiber, ensuring not only enhanced durability but also a significant reduction in weight compared to standard hoods. This contributes to improved vehicle dynamics and fuel efficiency.

The hood is finished in a striking Goldgelb Metallic, a color exclusive to the Turbo S Exclusive Series, adding a unique and luxurious appearance to the vehicle. The use of carbon fiber also provides a modern and sporty aesthetic, aligning perfectly with the high-performance nature of the Porsche 911.

The OEM number for this product is 99151190503-M1P, confirming its authenticity as a genuine Porsche original part. This ensures a perfect fit and maintains the high standards of quality and performance expected from Porsche components. Condition-wise, the item is new, meaning it has never been used or damaged. It comes directly from Porsche, guaranteeing that it meets the strict quality controls and specifications set by the manufacturer.

This front trunk lid is an excellent choice for Porsche 911 991 owners looking to maintain the aesthetic integrity and performance of their vehicle while ensuring compatibility and quality with genuine Porsche parts.
