Product description

This PCCB ceramic brake disc, specially designed for the Porsche Panamera model 971, is a high-quality replacement part for your vehicle. The brake disc has a diameter of 20 inches (420 mm) and is intended for the right front of the vehicle. Despite minimal damage, the disc is in very good condition and fully functional. This original Porsche part, with OEM number 9J1615302D-002, ensures an optimal fit and performance that meets Porsche's high standards. The use of ceramic material reduces weight and improves heat resistance, resulting in a longer service life and better braking performance. Ideal for drivers who value quality and originality.
