Product description

This original Porsche seat belt for the 911 model of the 991 series is specially designed for the front seats of the Coupé and Targa. The belt is classic black in colour and can be used on both the left (L) and right (R) sides. This flexibility in use makes the belt particularly practical.

The OEM numbers for this seat belt are 99180303304A23 and 99180303300A23, which ensures its authenticity and compatibility with the Porsche 911 model 991. As a used part, this seat belt is in very good condition and undamaged, making it an excellent choice for replacing or upgrading your vehicle. This seat belt is not only a critical component of vehicle safety, but also an original Porsche part, which guarantees the quality and durability of the product. Ideal for owners who value authenticity and safety.
