### Product description

The Porsche 911 991 Turbo Coupé rear spoiler is an original replacement part for the specific Porsche 911 model from the 991 series. This high-quality component has the OEM number 99150432705KPL and is specially designed for the Turbo versions of the Coupé. The rear spoiler is complete and ready for installation, making it quick and easy to fit. This used part is in very good condition, although it may show minor signs of wear or storage. It is important to note that the colour of the spoiler may differ from the image and that repainting may be necessary to cover any scratches or other minor damage.

As an original Porsche part, this rear spoiler guarantees a perfect fit and functionality that is specifically tailored to the requirements and specifications of the Porsche 911 991 Turbo Coupé. The use of original parts not only ensures that the vehicle's aesthetics are preserved, but also that its value and safety are maintained.

In summary, the Porsche 911 991 Turbo Coupé rear spoiler is an excellent choice for owners who are looking for a replacement part that improves both the performance and appearance of their vehicle while maintaining the authenticity and quality of an original Porsche part.
