Product description

This high-quality side window for the Porsche 911 G model (built between 1974 and 1989) is an essential replacement part for the left side of your vehicle. The window has the OEM number 91154250341, guaranteeing a perfect fit and originality as intended by Porsche.

As a new, unused and undamaged original Porsche part, this side window not only offers excellent quality and durability, but also the safety and functionality you expect from a genuine Porsche spare part. The clear, unclouded glass quality ensures optimum visibility and contributes to the aesthetics and value of your Porsche 911.

Whether you need to replace a damaged window or are simply planning to restore your vehicle, this side window is an ideal choice that preserves the authenticity and classic look of your Porsche 911. It is specially designed for the left side and fits exactly into the corresponding brackets and guides, allowing for easy installation without any adjustments.

Invest in this genuine Porsche part to maintain and enhance the performance and appearance of your Porsche 911.
