Product description

This set of four wheel covers from Porsche is a real highlight for vehicle enthusiasts who value aesthetics and originality. Each cover features a concave shape and high-quality rotary grinding, which gives the product a polished finish. The Porsche crest is emblazoned in the centre of each cap in Turbonit, creating a particularly elegant and attractive look.

The wheel trims are specially designed for various Porsche models, including the Porsche Cayenne model 9Y0 from 2018 onwards, the Porsche 911 model 992, the Porsche Taycan, the Porsche Panamera model 976 and the Porsche Macan model 95B. These caps are ideal for giving your vehicle a fresh and distinctive look while meeting Porsche's high quality standards. The wheel trim caps have the OEM number 00004460804 and are marked as genuine Porsche parts. They are new, unused and undamaged, ensuring that you receive a product of the highest quality. These wheel trims are not only functional, protecting the wheel hubs from dirt and damage, but also a stylish accessory that emphasises the sporty elegance of your Porsche. Whether you want to personalise your vehicle or simply replace damaged or outdated wheel trims, this set is an excellent choice that preserves the authenticity and value of your Porsche.
