### Product description

This front suspension control arm, specifically designed for the left side, is an essential component of the wheel suspension of your Porsche Panamera G1/970. As an original Porsche part, this control arm guarantees a perfect fit and functionality. The OEM numbers for this part are 97034105324 and 97034105323, which ensures compatibility with your vehicle.

The condition of the wishbone is described as used, but very good and undamaged. This means that the part has no visible damage and is fully functional, making it a cost-effective alternative to purchasing a new part. As an original Porsche part, it meets the manufacturer's high quality and safety standards, offering you additional safety and reliability.

Installing an original part like this not only ensures optimum performance and longevity, but can also help maintain or even increase the value of your vehicle. This wishbone is an excellent choice for Porsche Panamera owners who value quality and authenticity.
