## Product description

The 60Y Porsche 911 leather jacket for women pays homage to the legendary sports car, which has been synonymous with sporty elegance and timeless design since its introduction in 1963. This exclusive jacket is part of the limited-edition 60Y Porsche 911 collection, designed to mark the 60th anniversary of the Porsche 911. The edition is strictly limited to 911 pieces, making each one a valuable collector's item.

The jacket is made from high-quality goat suede leather and offers excellent feel and durability. The modern, slightly shorter cut, together with the light blouson style, ensures a youthful and stylish silhouette. The knitted insert on the back hem gives the jacket a special touch and optimises the fit.

Functional details such as the zip concealed by a button placket and the adjustable sleeve hems with concealed press studs not only offer a high level of comfort but also practical adjustability. The slit pockets with concealed press studs complement the functional aspects of the jacket.

Design elements such as the embossed crest badge on the right sleeve and the embroidered Porsche logo on the back below the collar underline the exclusive character of the jacket and its connection to the Porsche brand. The high-quality knitted insert in the turn-down collar, inspired by the seat covers of the anniversary vehicle, and the black inner lining with a large 60Y 911 print and a story label round off the luxurious overall look.

This limited-edition leather jacket is not only a fashion statement for Porsche 911 enthusiasts, but also an expression of tradition and timeless fashion. Ideal for occasions where style and exclusivity are paramount.
